

# Carman, God Don't Care (What The Circumstance)

One of my favorite Carman songs, but the lyrics are almost impossible to find online.

"God don't care what the circumstance, He just wants you to put your trust in Him".

One verse goes...

"King David went down to wash his socks,  
and his eyes fell on that Bathsheeba fox,  
and .....  
and he backslid."
