

Carman, Holdin' On

They said I'd never make it
They said I would not last a day
They said when things got heated up
I would get blown away
But I'm still here Lord
Still strong, and I'm still
Holdin' on (every day), holdin' on (everyway)
Holdin' on (every minute), Holdin' on (I'm still in it)
I got strength to stand
I'm holdin' on to God's unchangin' hand
They said I was too fragile
That livin' right was just a dream
They said I didn't have the stuff
To try and swim up stream
But I'm still here Lord
Still strong, and I'm still
Holdin' on (through the fire), holdin' on (I'm goin' higher)
Holdin' on (through the flood), Holdin' on (through the blood)
I got strength to stand
I'm holdin' on to God's unchangin' hand
Through the darkness, and through the night
I walk by faith and not by sight
Because I'm hangin' on to God's Word
Holdin' on for what I've heard
Thinkin' through the mind of Christ
Walkin' in the way that's right
His promises are true, His love is everlasting
His power is available only for the asking
When you sow the Word, faith is what you reap
You can be rough, tough, hard to bluff, if you keep
Holdin' on (every day), holdin' on (everyway)
Holdin' on (every minute), Holdin' on (I'm still in it)
I got strength to stand
I'm holdin' on to God's unchangin' hand
I got strength to stand
I'm holdin' on to God's unchangin' hand
