

# Carole King, Brighter

We've been knowing each other  
For many a year, it's true  
And I can't think of anyone else  
Can make me feel as good as you  
Yeah, you make my day  
A little bit brighter in every way

I'm so glad to have you  
In this old troubled time  
When true love and understanding, child  
Are so hard to find  
Yes, you make my way  
A little bit lighter every day

Some people live in darkness  
Their whole life through  
I just know that I'd have been one of them  
If it hadn't been for you

Now, sometimes I feel afraid  
As we all tend to do  
But I think of the loving good times we've had  
And I know we're gonna make it through  
'Cause you make my day  
A little bit brighter in every way
