

# Carole King, Ties That Bind

Once I heard long, long ago  
That love's so hard to find  
But if you got it, don't let go  
All the ties that bind

The times when I can hold you  
In my heart and in my mind  
Are the times when I can really know you  
And leave the rest behind

Go on and make believe if you want to  
It's a real good sign  
And stay with me if you like to  
Come on, put your hand in mine

Down on the sidewalk, out on the street  
Needing a connecting line  
You tie up with some other people you meet  
And the day begins to shine  
All the ties that bind

The day begins to shine  
In my heart and in my mind  
All the ties that bind  
All the ties  
The ties that bind
