## Carole King, Where You Lead I Will Follow

Wanting you the way I do I only wanna be with you And I would go to the ends of the earth Cause darling to me that's what you're worth

## Chorus

Where you lead I will follow Anywhere, that you tell me to If you need, you need me to be with you I will follow Where you lead

If you're out on the road Feeling lonely and so cold All you have to do is call my name And I'll be there On the next train

Chorus

I always wanted a real home With flowers on the windowsill But if you wanna live in New York City Honey, you know I will (yes I will, yes I will)

I never thought I could get satisfaction From just one man But if anyone could keep me happy You're the one who can

Chorus (x2)

Oh baby, oh, I'm gonna follow where you lead I'm gonna follow where you lead (I'm gonna follow where you lead) (x4)
