

Carpathian Forest, Bloody Fucking Nekro Hell

Maximum evil power
Blood-smeared face of death
Cold mega engines of
Madness and hell!!!
The fury of a thousand deaths
Bloody fucking nekro hell
Blood-fuelled machinery
Conqueror of god
Bloody fucking nekro hell
Satanic poison death
Lungs filled up with vomit
You crawl knee-deep in shit
And gore
The engines is crushing more
And more.
I am the hell-commander of sin
Maximum evil satanic power
Bloody fucking nekro hell
