

Carpathian Forest, I Am Possessed

Bleed!!

"Ou du guds lam som bar

All verdens synder"

I am possessed!

"Gi kirken tjenere som holder

Fast ved ditt ord bevar oss mot

VRANGLAERE OG D?TRO"

Enough is enough

You're going down

We're destroying all

Holy ground!!

This is hell, this is war

Death, torture, bloodshed

And gore...

Still burns the church

Of faith

And carpet bombed is the

PEARLY GATES!!!

"Ou du guds lam som bar

All verdens synder"

I am possessed!!

The lack of faith is your,

Followers of the parasite god.

Eternal death and suffering

We embrace the knowledge

Of Satan!!!

Defending the throne of evil

The black frame burns

I am the voice of evil

I am possessed

Possessed!!!
