Carpenters  
Made In America  
(want You) Back In My Life Again  
You know it doesn't seem that long ago

That i had your love and let it go

And i really let you down i know

I'm losin' your love

I guess it took a while for me to see

What it is you really mean to me

I've been as big a fool as i can be

For losing your love

(\*) i want you back in my life again

I don't want to be your remember when

I want you back in my life again

Let's go back to the place where it all began

I've lived long enough with your memory

Now i know that i need you here with me

There was a time i thought i had it made

But i didn't see the price i had paid

And the price gets higher ev'ry day

And all i can say is

(\*\*) you're the only one who knows my heart

So let's take it right back to the start

And i won't have to play the part

Of losing your love

Repeat (\*)

Repeat (\*\*)

I want you back in my life again

I don't want to be your remember when  
I want you back in my life again  
Let's go back to the place where it all began  
I've lived long enough with your memory  
Now i know that i need you, know that i need you  
Back in my life
