

Carpenters, (want You) Back In My Life Again

Carpenters
Made In America
(want You) Back In My Life Again
You know it doesn't seem that long ago

That i had your love and let it go
And i really let you down i know
I'm losin' your love

I guess it took a while for me to see
What it is you really mean to me
I've been as big a fool as i can be
For losing your love

(* i want you back in my life again
I don't want to be your remember when
I want you back in my life again
Let's go back to the place where it all began
I've lived long enough with your memory
Now i know that i need you here with me

There was a time i thought i had it made
But i didn't see the price i had paid
And the price gets higher ev'ry day
And all i can say is

(**) you're the only one who knows my heart
So let's take it right back to the start
And i won't have to play the part
Of losing your love

Repeat (*)

Repeat (**)

I want you back in my life again

I don't want to be your remember when
I want you back in my life again
Let's go back to the place where it all began
I've lived long enough with your memory
Now i know that i need you, know that i need you
Back in my life
