

Carrie Underwood, Angels Brought Me Here

It's been a long and winding journey,
But I'm finally here tonight
Picking up the pieces
And walking back into the light

Into the sunset of your glory
Where my heart and future lies
There's nothing like that feeling
When I look into your eyes

My dreams came true when I found you
I found you, my miracle

If you could see what I see
That you're the answer to my prayers
And if you could feel the tenderness I feel
You would know, it would be clear
That angels brought me here

Brought me here to be with you
I'll be forever grateful, oh forever thankful

My dreams came true when I found you, my miracle

If you could see what I see
You're the answer to my prayers
And if you could feel the tenderness I feel
You would know it would be clear
That angels brought me here ...

(If you could see what I see
You're the answer to my prayers)
Oh, and if you could feel the tenderness I feel
You would know, it would be clear
That angels brought me here
