

# Carrie Underwood, Could've Been

The memories of our lovin'  
Still linger in the air  
Like the faded scent of your roses  
Stay with me everywhere  
Everytime I get my hopes up  
They always seem to fall  
Still what could've been  
Is better than what could never be at all

Could've been so beautiful  
Could've been so right  
Could've been my lover  
Everyday of my life  
Could've been so beautiful  
Could've been so right  
You can't know what could've been  
On a cold and lonely night

Could've been so beautiful  
Could've been so right  
You can't know what could've been  
On a cold and lonely night  
Ni-oo-ight  
Ni-oo-ight  
How can you know what could've been  
On a cold and lonely night
