

# Carrie Underwood, I Know You Won't

I know you don't mean to be, mean to me  
'Cause when you want to you can make me feel like we belong  
We belong

Lately, you make me feel all I am is a backup plan  
I'll say I'm done and then you smile at me and I'll forget  
Everything I said...

I buy into those eyes and into your lies

## CHORUS

You say you'll call, but I know you  
You say you're coming home, but I know you  
You say you'll call, but I know you won't.  
You say you'll call, but I know you won't.

I wish you were where you're supposed to be  
Close to me  
But here I am just staring at this candle burning out  
Still no sound

Of footsteps on my stairs  
Your voice anywhere

## CHORUS

You say you'll call, but I know you  
You say you're coming home, but I know you  
You say you'll call, but I know you won't.  
You say you'll call, but I know you won't.

You say you'll call, but I know you  
You say you're coming home, but I know you  
You say you'll call, but I know you won't.  
You say you'll call, but I know you won't.

You say you'll call, but I know you won't.
