

# Carrie Underwood, Inside Your Heaven

I've been down  
Now I'm blessed  
I felt a revelation coming around  
I guess its right, it's so amazing  
Everytime I see you I'm alive  
You're all I've got  
You lift me up  
The sun and the moonlight  
All my dreams are in your eyes

I wanna be inside your heaven  
Take me to the place you cry from  
Where the storm blows your way  
I wanna be the earth that holds you  
Every bit of air you're breathin' in  
A soothin' wind  
I wanna be inside your heaven

When we touch, when we love  
The stars light up  
The wrong becomes undone  
Naturally, my soul surrenders  
The sun and the moonlight  
All my dreams are in your eyes

And I wanna be inside your heaven  
Take me to the place you cry from  
Where the storm blows you away  
And I wanna be the earth that holds you  
Every bit of air you're breathing in  
A soothing wind  
I wanna be inside your heaven

When minutes turn to days and years  
If mountains fall, I'll still be here  
Holdin you until the day I die  
And I wanna be inside your heaven  
Take me to the place you cry from  
Where the storm blows you away

I wanna be inside your heaven  
Take me to the place you cry from  
Where the storm blows you away  
I wanna be the earth that holds you  
Every bit of air you're breathin' in  
A soothin' wind  
I wanna be inside your heaven  
Oh yes I do  
I wanna be inside your heaven
