Carrie Underwood, Inside Your Heaven

I've been down
Now I'm blessed
I felt a revelation coming around
I guess its right, it's so amazing
Everytime I see you I'm alive
You're all I've got
You lift me up
The sun and the moonlight
All my dreams are in your eyes

I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows your way
I wanna be the earth that holds you
Every bit of air you're breathin' in
A soothin' wind
I wanna be inside your heaven

When we touch, when we love The stars light up The wrong becomes undone Naturally, my soul surrenders The sun and the moonlight All my dreams are in your eyes

And I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows you away
And I wanna be the earth that holds you
Every bit of air you're breathing in
A soothing wind
I wanna be inside your heaven

When minutes turn to days and years If mountains fall, I'll still be here Holdin you until the day I die And I wanna be inside your heaven Take me to the place you cry from Where the storm blows you away

I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows you away
I wanna be the earth that holds you
Every bit of air you're breathin' in
A soothin' wind
I wanna be inside your heaven
Oh yes I do
I wanna be inside your heaven
