

Carrie Underwood, Leave Love Alone

Funny how love can make you feel
Crush you like a ton of steel
Fake you out, make you think it's real
Funny how love can make you feel, yeah

Ouh, ouh, yeah
I just can't leave love alone
I just can't leave love alone
I just can't leave love alone
I just can't leave love alone
Hey!

Ain't it funny how love can make you fly
Sweetest buzz and the highest high
When you can't walk to the other side
Ain't it funny how love can make you fly

Ouh, I can't stop it
Ouh, gotta have it, want it,
I can't help it
I just can't leave love alone
I just can't leave love alone
(Can't leave it alone)
I just can't leave love alone
I just can't leave love alone
Hey!

Oh come on!
Burn me once but it don't sink in
I just keep coming back again
I just can't leave love alone
I just can't leave love alone
I just can't leave love alone
I just can't leave, I can't leave it
I just can't leave love alone
I just can't leave love alone
I just can't leave love alone
I just can't leave love alone
I can't leave it alone
I can't leave it
