

Carrie Underwood, Twisted

Baby you're a wrecking ball
Crashing into me
Nothing I can do but fall
Piece by piece
You broke down every part of me
That ever thought I'd never need you, baby

It's twisted, messed up
And the more I think about it
It's crazy, but so what
I may never understand it
I'm caught up and I'm hanging on
I'm gonna love you even if it's wrong

Everybody's telling me
I'm over my head
If they don't feel you loving me
They all say that I've gone crazy
Maybe, but it's too late now to save
I'm too tangled

It's twisted, messed up
And the more I think about it
It's crazy, but so what
I may never understand it
I'm caught up and I'm hanging on
I'm gonna love you even if it's wrong
Even if it's twisted

Maybe it's not right
But that's all right
Yeah, it's all right tonight

It's twisted, messed up
And the more I think about it
It's crazy, but so what
I may never understand it
It's twisted, messed up
And the more I think about it
It's crazy, but so what
I may never understand it
I'm caught up and I'm hanging on
I'm gonna love you even if it's wrong
Even if it's twisted

Even it's just a little bit, just a little bit, just a little bit twisted
Yeah
It's twisted
Yeah
