

Cartel, Wasted (Remix By Wyclef Jean)

It's 2:45 the baby takes his 1st breath
the mother never knew he only had a few left
and the father gets a call in the middle of the night
his breath gets short and his chest gets tight
But he's 16 and he's driving too fast
takes a turn to the left, it would be his last
Nobody knows what happens if he turns to the right
Nobody in the car would've died that night
But he's 32 and invincible
the cancer he had, it was visceral
he never saw it coming
thought he had his whole life
sick in the morning and he died in the night
We're all so
We're on the line
We're all
We're all [oh]
We're wasted, no no no
We're all wasted
We're wasted, no no
We're all wasted
He's 7 years old, got his bat in his hand
he's looking for his father and he doesn't understand
'cause dad's too busy, got some deals on the way
his son sits alone as the children play
And he's 18 he couldn't wait to move out
his parents wonder what all the rush is about
they never bothered with his dreams only thinking of theirs
wonders why he doesn't call and why he doesn't care
But he's 32 and invincible with
everything he is based on principle
he never had a truly happy moment in his life
he didn't want the kids and he didn't want his wife
We're wasted, no no no
We're all wasted
We're wasted, no no
We're all wasted
We're wasted
We're all wasted
We're all wasted, no no
We're all wasted
23 now, got his life in his hands
he's looking all around and he doesn't understand
'cause life's too busy, things get in the way
we all feel alone every single day
and I'm 18 and couldn't wait to move out
it's been five years and now I'm starting to doubt
whether all my dreams are just aimless stares
looking off to someplace that isn't there
when I'm 32 well I'll be miserable with
everything around based on principle
well, i have a clue, oh wouldn't it be nice
to never be alone in this wasted life
We're wasted, no no no
We're all wasted
We're wasted, no no
We're all wasted
We're wasted
We're all wasted
We're wasted, no
We're all wasted
