

Cascada, He's All That

I knew it from the start
From the first day that we met
I knew to take your hand
Was something I would not regret

Since that I found a girl in the town
That I wanted to be
I slowly know that's what he means to me
He's all that

He's all that I wanted
He's all that I needed
He is all that I have
My baby, he's all that

He gives me this feeling
He makes me believing
That my love never ends
Ohh baby, he's all that

He's all that I wanted
He's all that I needed
He is all that I have
My baby, he's all that

He gives me this feeling
He makes me believing
That my love never ends
Ohh baby, he's all that

Still hard for me to realize
That I am on my way
But since I've been your girl
I'm getting stronger day by day

For everything I've left behind
None of it was true
He's my prison, I belong to you
He's all that

He's all that I wanted
He's all that I needed
He is all that I have
My baby, he's all that

He gives me this feeling
He makes me believing
That my love never ends
Ohh baby, he's all that

He's all that I wanted
He's all that I needed
He is all that I have
My baby, he's all that

He gives me this feeling
He makes me believing
That my love never ends
Ohh baby, he's all that

He gives me this feeling
He makes me believing
That my love never ends
Ohh baby, he's all that
