Cascada, He's All That

I knew it from the start
From the first day that we met
I knew to take your hand
Was something I would not regret

Since that I found a girl in the town That I wanted to be I slowly know that's what he means to me He's all that

He's all that I wanted He's all that I needed He is all that I have My baby, he's all that

He gives me this feeling He makes me believing That my love never ends Ohh baby, he's all that

He's all that I wanted He's all that I needed He is all that I have My baby, he's all that

He gives me this feeling He makes me believing That my love never ends Ohh baby, he's all that

Still hard for me to realize
That I am on my way
But since I've been your girl
I'm getting stronger day by day

For everything I've left behind None of it was true He's my prison, I belong to you He's all that

He's all that I wanted He's all that I needed He is all that I have My baby, he's all that

He gives me this feeling He makes me believing That my love never ends Ohh baby, he's all that

He's all that I wanted He's all that I needed He is all that I have My baby, he's all that

He gives me this feeling He makes me believing That my love never ends Ohh baby, he's all that

He gives me this feeling He makes me believing That my love never ends Ohh baby, he's all that
