

# Cascada, I miss you

Remember the time 1989,  
When I grow up to see the sign,  
Without you, I can't breathe.  
I look upon to see the stars,  
The Milky Way, the Moon and Mars,  
I miss you, by my side.  
Who will ever know the way?  
If I came back to hear you say:  
"I need you, in my life!"  
All in all it's not too late,  
Forget the past, try to create,  
A feeling that can wait.  
If you want I know it's not too late.

Ohh-Uhh-Oh-Oooh, Ohh-Uhh-Oh,  
Ohh-Uhh-Oh-Oooh, Ohh-Uhh-Oh,  
Ohh-Uhh-Oh-Oooh, Ohh-Uhh-Oh, Uh-Oh-Uh-Oh-Uh-Oh, Oh-Uh-Oh.
