

Cascada, I Will Believe It

It's over boy.
Everyone can tell.
No need to hide it from your friends.

It's sad, but it's true,
you've got your self to blame.
And you (and you)
will never understand.
Don't try to talk me into it again.

I will believe it when I see it
with my own eyes no more lies.
I will believe it
when I receive the love that makes me feel alive.
I will believe it when I see it
with my own eyes no more lies.
I will believe it
that I can feel your love so now I realize this is good bye.

Let's face it boy
it wasn't meant to be
you and me
don't you understand.
Don't try to talk me into it again.

I will believe it when I see it
with my own eyes no more lies.
I will believe it
when I receive the love that makes me feel alive
I will believe it when I see it
with my own eyes no more lies.
I will believe it
that I can feel your love so now I realize this is good bye.

This is good bye.
This is good bye.
