

Cascada, Listen To Your Heart

I know there is something in the wake of your smile
I get a notion from the look in your eyes (yeah)
You've built to love but then love falls apart,
Your little piece of heaven turns to dark

Listen to your heart
When it's calling for you
Listen to your heart
There is nothing else you can do
I don't know where you're going and I don't know why
But listen to your heart
Before... you tell him goodbye

(Listen to your heart, listen to your heart)

Sometimes you wonder if this fight is worth while
The precious moments are all lost in the tide (yeah)
They're swept away and nothing is what it seems
The feeling of belonging... to your dreams
(To your dreams)

Listen to your heart
When it's calling for you
Listen to your heart
There is nothing else you can do
I don't know where you're going and I don't know why
But listen to your heart
Before... you tell him goodbye

(Listen to your heart)
