

# Cascada, Lonely

Remember the time  
When you were here inside my dream  
I wish you'd be mine  
You're understanding what I mean  
Discover and see  
That you're the only one for me  
Together we'll be free  
That's how it's meant to be  
Have you ever friends with lonely  
You're the one and only  
Did you ever ..  
Why did you say goodbye (4x)  
Have you ever friends with lonely  
Have you ever friends with lonely
