

Cascada, Neverending dream

I'm waiting for the night, drifting away
on the waves of my dreams to another day
I'm standing on a hill and beyond the clouds
The wind's blowing still and catching my doubts
I'm hunting all the night a slave to my dream
an illustrated scene ascents in the steam
we're playing full of voice emotional games
I'm turning off my eyes I'm hiding my shape
A neverending dream a dream of you
I believe I received a sign of you
tonight I wanna hide my feelings, too
as you do and I wanna be with you
A neverending dream a dream of you
I believe I received a sign of you
tonight I wanna hide my feelings, too
as you do and I wanna be with you
(I'm waiting for the night, drifting away
on the waves of my dreams to another day
I'm standing on a hill and beyond the clouds
The wind's blowing still and catching my doubts)
I'm watching all the flowers dying away
in heated breath of life at the dawning day
I'm waking up in spring and kissing your face
a sweet and burning thing, I feel your embrace
A Neverending Dream
A neverending dream a dream of you
I believe I received a sign of you
tonight I wanna hide my feelings, too
as you do and I wanna be with you
A neverending dream a dream of you
I believe I received a sign of you
tonight I wanna hide my feelings, too
as you do and I wanna be with you
