

# Cascada, Ready For Love

You took a piece of my heart  
I never thought that this could fall apart  
You said you fell in love  
And this was more than I had ever been afraid of  
Another life  
Another happy ending, it cuts like a knife  
Another place, another time  
Another hand to touch, another sun to shine

You've got me deeper than deep and I'm constantly blinded  
I'm running around but there's no place to hide  
I start to talk in my sleep, our souls are divided  
Why can't they forgive me, these demons inside  
Deeper than deep and I'm constantly blinded  
My heart starts to shiver for I was letting up  
I start to talk in my sleep, 'cause our souls are divided  
How can it be that you're ready for love?

Ready for love ...

How can it be that you're ready for love .....

Time will tell  
A single day could help me break this spell  
Don't want to be alone  
When will I be understood, when is my kingdom to come?  
Another boy, another life  
Another happy ending, and I'll be alive  
Another place, another time  
Another hand to touch, another sun to shine

You've got me deeper than deep and I'm constantly blinded  
I'm running around but there's no place to hide  
I start to talk in my sleep, our souls are divided  
Why can't they forgive me, these demons inside?  
Deeper than deep and I'm constantly blinded  
My heart starts to shiver for I was letting up  
I start to talk in my sleep, 'cause our souls are divided  
How can it be that you're ready for love?

How can it be that you're ready for love ...

How can it be that you're ready for love ...
