

# Case, Happily Ever After

[Case]

Guess what i did today  
Those were the words i said to you  
It was last May, don't know the exact day  
In my hand there was a ring  
And you told me that you loved me  
More than anything in your life  
And i asked you would you do me  
The honor of being my wife (yes i will)  
I will be your man, your protector, your best friend  
'Til my humble life is ended  
Then time begins again (couldn't we)

Couldn't we please be happily ever after  
We can be strong together for so long (our love goes strong so long)  
Couldn't we please be happily ever after (couldn't we be, baby)  
Leaving you never stays forever strong

[Case]

When i was away (umm...hmm)  
Some friends became just faces  
Some people grew apart  
But you stayed right in my heart  
In so many times, could picture this day inside my mind  
And for so many years, ooh  
I knew it would be you here with me, ooh (yes i will)  
Take you for my wife, the center of my life  
And i will never ever fade  
From this choice I've made, ooh...oh

Couldn't we please be happily ever after (come on)  
We could be strong together for so long  
Couldn't we please be happily ever after  
Leaving you never stays forever strong (hey...ooh...hey yeah)

You don't have to look no further than me (don't look no further, baby yeah)  
You don't need much more than my lovin' to make you happy (I'm so happy, babe)  
Beneath the side of God, i will make this vow to you (come on baby)  
I'll be right here, stay with me (stay with me, baby hey)

Couldn't we please be happily ever after  
We could be strong together for so long  
Couldn't we please be happily ever after  
Leaving you never stays forever strong (no, no i will never leave you, ooh)

[repeat to fade]
