Casely, Mrs. Wrong

[Verse 1:]

been on the floor getting all the love, ladies back it up, yeh they no what's up, shorty look good I juggied [Bridge:]

One thing on her mind I no, no telling how far she'l go, she like the ice wanna ride, wanna take all r [Chorus]

Every saturday since you've been gone,

Am looking in the club for that mrs wrong,

Tell me what am I suppose to do, cause I can't find another you

Every saturday since you've been gone, Am looking in the club for that mrs wrong,

Tell me what am I suppose to do, cause girl am still in love with you

[Verse 2:]

She can walk it out, but she got no class, show her my car, she don't know where am at, baby you [Bridge:]

One thing on her mind I no, no telling how far she'l go, she like the ice wanna ride, wanna take all r [Chorus:]

Every saturday since you've been gone, Am looking in the club for that mrs wrong,

Tell me what am I suppose to do, cause I can't find another you

Every saturday since you've been gone, Am looking in the club for that mrs wrong,

Tell me what am I suppose to do, cause girl am still in love with you

[Verse 3:]

See baby your the star am needing, I no I gave you a reason to leave, but this is what I've got to sa [Chorus:]

Every saturday since you've been gone, Am looking in the club for that mrs wrong,

Tell me what am I suppose to do, cause I can't find another you

Every saturday since you've been gone, Am looking in the club for that mrs wrong,

Tell me what am I suppose to do, cause girl am still in love with you
