

# Cashless, We Are The Youth

We're the youth  
We're the youth  
We're the youth  
We're the youth ... come on let's go!  
They always try to tell us that we'll never reach our goals  
That we can't change the way the world is spinning round and round  
They say: "It's always been that way, believe in what we say!"  
But we won't trust and you should do this, too  
So open up your eyes, don't follow blind  
Don't believe in their lies, cause we, we ...  
ohh jes we are  
We are the youth, it's time to raise our voice  
It's time to face the truth, 'cause we are the youth  
Let's take a stand, take the power in our hands  
Cause we are the youth, it's time to face it!  
You always tell everyone: "No future, that's the deal!"  
You rather watch the world go down, you don't care  
That's all you do! As long as you can waste away  
Your time, your money, your brain  
But we won't trust and you should do this, too  
So open up your eyes, don't follow blind  
Don't believe in their lies, cause we, we ...  
ohh jes we are  
We are the youth, it's time to raise our voice  
It's time to face the truth, 'cause we are the youth  
Let's take a stand, take the power in our hands  
We are the youth, it's time to face it!  
ohh jes we are  
We are the youth, it's time to raise our voice  
It's time to face the truth, 'cause we are the youth  
Let's take a stand, take the power in our hands  
Cause we are the youth, it's time to face it!  
We are the youth, it's time to raise our voice  
It's time to face the truth, 'cause we are the youth  
Let's take a stand, take the power in our hands  
We are the youth, it's time to face it!  
We're the youth  
We're the youth  
We're the youth  
We're the youth  
We're the youth  
We are the youth  
We're the youth  
It's time to raise our voice  
We're the youth  
It's time to face the truth  
We're the youth  
Cause we are the youth  
We're the youth  
Let's take a stand  
We're the youth  
Take the power in our hands  
We're the youth  
We are the youth  
We're the youth  
It's time to face it!
