

# Cassie, Soldier 4 Your Love

(Hmm, hey yeah yeah. Hmn, yeah yeah yeah)

Its funny when you find the truth hidden somewhere that you never thought to look but then its right  
Staring you in the face, but you can't run nowhere.

Cause you've faced it so long for someone to love to finally hear.

What about love, what about faith.

What about trusting that the one that you got is with you all the way.

What about us, who's given mistakes.

Cause baby you know that my heart is your's, I'm with you all the way.

Cause I'm a soldier for your love.

And I'm gon ride, and I'm gon ride.

Ain't gon never give you up.

Its do or die, its do or die.

So when the wings brush off, the rain it pours, it all falls down around.

I'll be that soldier for your love.

I'll hold you down, I'll hold you down.

People say that I'm a fool for loving someone who doesn't play by the rules.

But they don't know you. So easy to judge a book by it's cover because they don't understand.

That you're the only one for me, there's no other.

And I'm with you 'til the end.

What about love, what about faith.

What about trusting that the one that you got is with you all the way.

What about us, who's given mistakes.

Cause baby you know that my heart is your's, I'm with you all the way.

Cause I'm a soldier for your love.

And I'm gon ride, and I'm gon ride.

Ain't gon never give you up.

Its do or die, its do or die.

So when the wings brush off, the rain it pours, it all falls down around.

I'll be that soldier for your love.

I'll hold you down, I'll hold you down.

When the rain, it falls, it falls, it falls.

When you need me, just call, just call, just call.

What you need yeah, I got, I got, I got.

Cause I don't give up, give up.

Cause I'm a soldier for your love.

Cause I'm a soldier for your love.

And I'm gon ride, and I'm gon ride.

Ain't gon never give you up.

Its do or die, its do or die.

So when the wings brush off, the rain it pours, it all falls down around.

I'll be that soldier for your love.

I'll hold you down, I'll hold you down.
