

# Cassie Steele, Famous

I will be famous one day  
The people screaming my name  
I will be famous one day  
Your gonna know my face  
I'm gonna rock your world  
And you won't think about her  
Hot, so hot  
Yeah I'm hot, so hot  
Scream for me, scream for me  
Scream for me, dream of me  
Scream for me, scream for me  
Scream, scream, and scream whoa  
I'm gonna be a star  
My voice will leave a scar  
I'm gonna be a star  
Fulfill you lonely heart  
Hot, so hot  
Yeah I'm hot, so hot  
Scream for me, scream for me  
Scream for me, dream of me  
Scream for me, scream for me  
Scream, scream, scream whoa
