Aint No Use In Speakin' When  
ohh the way u're Body Is Talkin'  
Aint No Use In Speakin' When  
ohh the way u're Body Is Talkin'  
I Can Hear It Talkin' Louder And Louder

Boy I Know What You Want  
Baby I Can Read Your Body Language  
(No Need To Say It I, Know Just What You Feel)  
Cause Its Written All Over Your Face  
i know You Want To Stay With Me Yeahh  
(Love It When We Get Close See It All In Your Eyes)  
All Of Our Emotions Start To Give In Thats The Way We Really Realize  
(And We Cant Escape This Feeling Taking Over)  
Oh I Know Just What Your Body's Saying  
So Aint No Use In Speaking

Aint No Use In Speakin' When

Aint No Use In Speakin' When  
ohh the way u're Body Is Talkin'  
I Can Hear It Talkin' Louder And Louder

Aint No Use In Resisting How You Feel I Know You Want This  
(Don't Hesitate No, Give In To What It Is)  
Cause Its Time And Place  
Your Smile You Got Me So Excited  
Ohhh Yeahh

(Love It When We Get Close See It All In Your Eyes)  
All Of Our Emotions Start To Give In Thats The Way We Really Realize

Caught Up In The Moment  
Temperatues Flowing Up  
You Know What Your Doing To Me  
(I Cant Even Say What, Aint No Use In Talking Now...)
