Welcome to the ghetto where the boys in the block is real, no need for jepedo
Where we come from o bone tsotsi e shapa tsotsi ka goli to the cerebellum
Mo ke skeleme se phelemiwa
Ke skele, it's a movie wit toolies, no film
Trap nigga, I ain't never scared
Matter fact? I'm in my element
Duckin' settlers, post up in informal settlements, don't maneuver belligerent
Get the password to the slums
Connect to my hittas, mataka we tetherin'
That adrenaline ha o pokotetsi them fide-mine, compare to amphetamines

But if they did they would shoot God
