

Cat Janice, Dance You Outta My Head

So complicated
It's a mess for the ages
And I'm feelin' a feeling inside
Dancin' on the edge of disaster, makes my heart beat faster
And the feeling I'm feelin' ain't right

And so I'm gonna dance you outta my head
Gonna dance you outta my head
Gonna dance you outta my head
Gonna dance you outta my head
Dance you outta my head
Gonna dance you outta my head
Gonna dance you outta my head
Dance you outta my head

This is getting so complicated
And I hate that I don't hate it
The feeling I'm feelin' inside
Dancin' on the edge of disaster
Hold my hands up, it don't matter
I need it, I need it (I need it, I really, really need it)

So complicated
It's a mess for the ages
And you're feelin' a feeling inside
Dancin' on the edge of disaster, makes my heart beat faster
And the feeling I'm feelin' ain't right

So I'm gonna dance you outta my head
Gonna dance you outta my head
Gonna dance you outta my head
Gonna dance you outta my head
Dance you outta my head
Gonna dance you outta my head
Gonna dance you outta my head
Gonna dance you outta my head
