

# Cat Power, Clear The Room

Out of tune  
It's no ideal  
Cannot prove  
But I can squeal

Stick into  
Frozen meal  
Touching you  
Magnetic field

Take the loo  
Bruise the fruit  
Forget what to say  
Call your bluff  
Get away

Clear the room  
Watch them reeling  
Sex is soon  
But first the feeling

Out of tune  
It's so ideal  
Clear the room  
And watch them real

Take the loo  
Bruise the fruit  
Forget what to say  
Call your bluff  
Get away
