

Cat Power, Keep On Runnin' (Crawlin' Black Spider)

When will you do what you say you'll do?
How could you really do it?
Will you keep on running?
Baby settle down
Will you keep on running?
You'll lose your heart
Will you keep on running?
Baby settle down
Will you keep on running?
Run on, run on
You'll rule your day

Crawlin' black spider baby
Crawlin' black spider

Begin to crawl on baby with the cracks were very high
Just keep on crawlin' till the day I die
