

Cat Power, She's Got You

I got your picture
You gave to me
And it still looks the same
From when you were here
The only thing different
The only thing new
Is I've got your picture
She's got you
I've got your memories
Or has it got me
I really don't know
What I know you won't let me be
I've got your records
We used to share
And they still sound the same
As when you were here
The only thing different
The only thing new
Is I've got your records
She's got you
I've got these memories
Or have they got me
I really don't know
What I know it won't let me be
I've got your class ring
You gave to me
And it still shines the way
When you were here
The only thing different
The only thing new
Is I've got these little things
But she's got you
I've got these memories
Or have they got me
I really don't know
What I know it won't let me be
She's got you
