

Cat Stevens, Bonfire

I can't budge baby I can't move without your
love to guide me
I don't know honey that's the truth what laid
you down beside me,
Heat me with your love oh, your lips were meant
for mine
Nobody else can bake me like a, no no no, like a-
Bonfire, your love is like a bonfire burning deep
within me
Now some folks said it's no good to smoke in bed
Umm, but I just turn off my ears and I jump into
the fire again

I feel so weak, yea, I can't sleep without you there
to hold me
Promise me you won't ever leave or I would die
so coldly,
Kiss me with your eyes, please don't let it rain
Don't kick no dust on my-
Bonfire, your love is like a bonfire burning deep
within me
Now it just grows, no matter where the wind blows
Yeah but since you touched me I can't hide it
I've been so delighted with you

Yeah, heat me with your love, ah ah
You opened up my heart, I just can't live
without you,
Oh, I just couldn't live another day, your my-
Bonfire, your love is like a bonfire burning deep
within me
Now some folks said it's no good to smoke in bed
uh, huh
But I just take off my clothes and I jump into
the fire again
