Cat Stevens, Granny

You were always were so nice when it came to problems you knew i never did think twice about ever coming to you

so granny, what on earth can i do? granny, granny, what on earth can i do?

'cause this little girl, this little girl, she's a driving me wild she's a driving me wild, so wild, so wild

you always straightened me out when i was feeling rough but this one i really doubt cause this one's really tough

oh granny, what on earth can i do? granny, granny, what on earth can i do?

'cause this little girl, this little girl, she's a driving me wild she's a driving me wild, so wild, so wild

so, granny, what on earth can i do? granny, granny, what on earth can i do?

'cause this little girl, this little girl, she's a driving me wild she's a driving me wild, so wild, so wild
