

Cat Stevens, Here Comes My Baby

In the midnight moonlight
I'll be walkin' a long and lonely mile
And every time I do
I keep seein' this picture of you
Here comes my baby, here she comes now
And that comes as no surprise to me, with another guy
Here comes my baby, here she comes now
Walkin' with a love, with a love that's all so fine
Never could be mine, no matter how I try
You never walk alone
And you're forever talkin' on the phone
I've tried to call you names
But every time it comes out the same
Here comes my baby, here she comes now
And that comes as no surprise to me, with another guy
Here comes my baby, here she comes now
Walkin' with a love, with a love that's all so fine
Never could be mine, no matter how I try
I'm still waitin' for your heart
'Cause I'm sure that some day it's gonna start
You'll be mine to hold each day
But till then this is all that I can say
Here comes my baby, here she comes now
And that comes as no surprise to me, with another guy
Here comes my baby, here she comes now
Walkin' with a love, with a love that's all so fine
Never could be mine, no matter how I try
Here comes my baby, here she comes now
And that comes as no surprise to me, with another guy
Here comes my baby
