

# Cat Stevens, Home In The Sky

Come the morning Ill be far from here  
Slowly rising in another sphere

Old world goodbye cause Ill be  
Home in the sky in the morning bye bye

Stars are crying over my old house  
But Im still breathing happy above the clouds

Home  
Home at last because  
All of the bad times are past

Music is a lady that I still love  
Cause she gives me the air that I breathe

Music is a lady that I still need  
Cause she brings me the food that I eat

Come the morning Ill be far from here  
Slowly rising in another sphere  
Home, world goodbye  
Cause Ill be home in the sky in the morning  
Bye Bye
