

Cat Stevens, Maybe There's A World

I have dreamt of a place and time, where nobody gets annoyed,
But I must admit I'm not there yet but something's keeping me going
Maybe there's a world that I'm still to find
Maybe there's a world that I'm still to find
Open up a world and let me in,
Then there'll be a new life to begin
I have dreamt of an open world,
Borderless and wide
Where the people move from place to place
And nobody's taking sides
Maybe there's a world that I'm still to find
Maybe there's a world that I'm still to find
Open up a world and let me in,
Then there'll be A new life to begin
I've been waiting for that moment
To arrive
All at once the palace of peace
Will fill My eyes - how nice
Maybe there's a world that I'm still to find
Maybe there's a world that I'm still to find
Open up a world and let me in,
Then there'll be A new life to begin
I've been waiting for that moment
To arrive
All at once the wrongs of the world,
Will be put right - how nice
