

Cataract, Erase Concepts Of Serenity, The Definition

Kill projected fantasies and escape the unconsciousness definition of the sacred !

conceal your fear of end with sharpened obsessions

placate the renunciation of this guilty order

This is the renunciation, your endless mortification, this is your lie to this world !

your life is a lie !

Made to measure human life, guided by intellectual needs created to lead and dominate and follow

your life is a lie !

decline this slander through glorious scavengers

erase the ancient stench of this illusions

your life is a lie !

conceal your fear of end with sharpened obsessions

placate the fail of this guilty order
