

Catch 22, Damaged

[verse 1]

Wounds that will not heal
Cover the scars of the tortured soul
Like broken machinery
Rusted and in the rain cannot be the same

[bridge]

I am damaged inside
I am burning inside
The hands of time keep on turning
And it's burning my eyes

[pre-chorus]

Love has no meaning to those who have never loved
Dreaming decieving phantasmagoria

[chorus]

I am damaged I am damaged I am damaged
Just another slave to the system
In this dying world

[verse 2]

All that time reveals
Stare at the scars till you're goin' blind
Like broken machinery
Rusted and sitting there far beyond repair

[bridge]

[pre-ch]

[chorus]
