

Catherine Wheel, Car

If i touch you will you break,
If i touch you will you take,
My fears away, my fears away.
I can hardly wait for you.
I can't hear the moving mind.
I've been sitting here for years to find.
Steal myself a car, Ferrari or a Jaguar,
Drive it a crazy speed,
Straight over a cliff and into the sea.
I can hardly wait for you.
I can't hear the moving mind.
I've been sitting here for years, to find
I've been sitting here for years, to find such big thoughts.
I'll steal myself a car,
Ferrari or a Jaguar,
Drive it at a crazy speed,
Straight over the cliff and into the sea.

Maybe i'll be happy, Maybe i'll be happy,
If that was guaranteed , I'd do it today,
right now, just this once.
Today.
