## Catherine Wheel, Flower To Hide

So make it shine No need to fade I'll make it hard on you I'll make it glow No need to show you this time I'll make it easy And I know The sunlight bleaches you It colours everything you do And I know A flower's fading far too soon So think of a time It's something to cling to Imagine a life That never escapes you Conceal it behind The colour and perfume A flower to hide A violet surprise And I know The sunlight bleaches you It colours everything you do And I know A flower's fading far too soon And I know The sunlight bleaches you It colours everything you do And I know The sunlight bleaches you A flower's fading far too soon
