

Catherine, Whisper

Softly whisper in your ear
Softly whisper in your ear
Softly whisper in your ear
Softly whisper in your ear
I want it all but it's not here

Broken pain does never mend
Sadness is completely in
Smiley face waves
Bye, bye
Softly whisper in your ear
I want it all but it's not here
You've changed a lot in a year
Bye, bye
Softly whisper in your ear
Softly whisper in your ear
Softly whisper in your ear
