

CATS, Be My Day

Ah
Rock me from the bay of Mexico
I row me to the shores of Montego bay.
I met a lady
Please let me stay.
Here in your warm brown arms
Till I melt away.
Be my day
Honey be my night.
If I drift away
Honey be my light.
Shine on
Let your light shine on.
And I will sail on home.
Shine on
Let your light shine on
And I will sail on home.
Sing a la la la
And I sing hey
Yeah
Yeah
Yeah
Yeah
Yeah
Yeah
And I will sail on home
Sing a la la la
And I sing hey
Yeah
Yeah
Yeah
Yeah
Yeah
Yeah.
