

CDB, Let's Groove

CDB

Glide With Me

Let's Groove

Let's groove tonight, share the spice of life

Baby slice it right, we're gonna groove tonight

(Chorus)

Let this groove get you to move

It's alright, alright

Let this groove light up your fuse

So stand up, alright

Gonna tell you what you can do with my love, alright

Gotta let you know girl, you're looking good

You're outta sight, alright

Just move yourself and glide like a 747

And you lose yourself in the sky

Among the clouds in the heaven cause

(Repeat Chorus)

Let me tell you what you can do with my love, alright

Gotta let you know girl, you're looking good

You're outta sight, you're alright

Just tell the DJ to play your favorite tune

And you know it's OK

What you found is happiness now cause

(Repeat Chorus x2)

You will find peace of mind on the floor in time

Come and see you and me make a little sign

I'll be there in a while

If you want my love we can boogie on down

Down, boogie on down

Let's groove tonight, share the spice of life

Baby slice it right, we're gonna groove tonight

(Repeat Chorus x3)
