

# Ce Ce Peniston, I'm In The Mood

I'm in the mood  
Let's start tonight out right  
You and I bathed in candlelight  
Tasting the wine on your lips

Touching your body tenderly with my fingertips  
I feel a sweet sensation rushing through my body  
So I can say exactly how I feel

I'm in the mood  
And I hope you feel it too

I'm in the mood  
And I hope you feel it too

Take me away  
And I'll come back for more everyday  
Let's not spoil the moment boy  
Unplug the phone so we can be alone

There is something about your kiss  
That makes me feel like nothing else exists  
Let's give into the moment boy, we won't regret it  
There's so much passion between us, we can't control it

This is a night that we soon won't forget my baby  
I've never been more ready for your love

I'm in the mood  
And I hope you feel it too

I'm in the mood  
And I hope you feel it too

I'm in the mood  
And I hope you feel it too

I'm in the mood  
And I hope you feel it too
