

# Ceasars Palace, (I'm Gonna) Kick You Out

I am what I am  
in the back and beyond  
A man with a fork in the world of soup  
maybe all this time you've take me for a fool  
But now I know what I have to do

Gonna kick you out and let the sun shine in  
Kick you out, let the sun shine in  
Gonna kick you out and let the sun shine in  
Kick you out, let the sun shine in

Not long ago I was a blue-eyed fool  
Not long ago I was in love with you  
But you've been fucking around to the danger point  
But now I know what I'm gonna have to do

Gonna kick you out and let the sun shine in  
Kick you out, let the sun shine in  
Gonna kick you out and let the sun shine in  
Kick you out, let the sun shine in

I am what I am  
in the back and beyond  
A man with a fork in the world of soup  
all this time you take me for a fool  
But now I know what I have to do

Gonna kick you out and let the sun shine in  
Kick you out, let the sun shine in  
Gonna kick you out and let the sun shine in  
Kick you out, let the sun shine in

Gonna kick you out and let the sun shine in  
Kick you out, let the sun shine in  
Gonna kick you out and let the sun shine in  
Kick you out, let the sun shine in
